This is a brief illustration of coverage offered through the K12 Student Athletic and Accident Insurance. The Master Policy issued will be the contract and will govern and control the payment of benefits. The Policy is a non-renewable one year term policy. The policy contains an Excess Provision for mandatory coverage. No benefits are payable for expense incurred that is paid or payable by other valid and collectible insurance. The Reasonable Charge is determined by comparing charges for similar services to a national database adjusted to the geographical area where the services or procedures are performed, by reference to the 75th percentile of Ingenix schedules. The Insured Person may be responsible for the difference between the Reasonable Charge and the actual charge from the Provider.
